#### COMPANY / SOLUTION OVERVIEW

Elite Security Defense is Yeap Inc.'s Texas-licensed protective-services division. It supports government, commercial, and institutional requirements through disciplined personnel, centralized oversight, incident accountability, and technology-enabled coordination. Services are provided within applicable licensing, jurisdictional, and contract requirements.

Licensed, accountable security support for facilities, personnel, events, investigations, and sensitive movement.

#### CORE COMPETENCIES

**Guard Services:** Armed and unarmed guarding, access control, patrol support, post coverage, visitor management, and incident reporting.

**Executive Protection:** Protective details, movement coordination, advance support, and security presence for designated personnel.

**Event Security:** Venue coverage, entry management, crowd-support coordination, VIP areas, and incident escalation.

**Investigations:** Private-investigation support, surveillance, fact development, documentation, and risk-focused reporting.

**Secure Movement:** Secure courier and transport support for sensitive materials, subject to scope, licensing, and operational requirements.
