COMPANY / SOLUTION OVERVIEW

HQ Workforce is Yeap Inc.'s multi-tenant workforce management platform. It brings recruiting and applicant tracking, digital onboarding, training and certification records, activity tracking, and supervisor oversight into one system, so contractors and program offices can staff, onboard, train, and track a distributed workforce across companies, departments, and sites.

Recruit, onboard, train, and track contract and program personnel from one platform.

CORE COMPETENCIES

Recruiting & ATS: Job postings, applications, candidate pipelines, interview scheduling, and offers.

Digital Onboarding: Document collection, agreement signing, and worker profiles.

Training & Certifications: Course assignment, completion tracking, certifications, and training records.

Workforce Visibility: Activity tracking, worker rankings, reports, and analytics.

Multi-Site Operations: Multiple companies, departments, and connected websites under one account, with employee and supervisor portals.

Access & Accountability: Role-based access control, audit logging, and YeapID single sign-on.
